WORK EXPERIENCE

Boostability
Growth Marketing Intern - Remote — *September – Present*

- **Growth & Organic Marketing**: Lead organic LinkedIn strategy and brand messaging for an edtech startup, achieving a 4x increase in average post engagement.
- **Event-Led Marketing**: Run outreach campaigns for workshops and events, generating 75 registrations at a 47% attendance rate through targeted messaging, email, and partnerships.
- **Go-to-Market Planning**: Build marketing and sales plans from scratch, defining target audiences, outreach channels, and performance tracking.

Amazon Web Services (AWS)
Channels Marketing Manager - Integrated Demand Center - New York, NY — *August 2025 – June 2026*

- **Localization Strategy**: Led localization efforts for multi-language launches across multiple product lines and global audiences, leveraging email testing and A/B testing to optimize messaging and engagement.
- **Product Marketing**: Aligned product launch and activation campaigns across email, organic social, and paid media, and paid search for developer tools and European Sovereignty Cloud services in EMEA.
- **Lifecycle Marketing**: Directed email strategy for pre-series A and scaled startups, driving sign-up conversion to AWS Activate Credit program through launches, nurture streams, and newsletters.
- **Cross-Functional Collaboration**: Partnered with product marketing, creative, sales, and analytics teams to develop B2B targeting strategies and campaign messaging, facilitating 15,000+ unique customer interactions.

Digital Marketing Program Manager - Global Executive Marketing - New York, NY — *July 2023 – August 2025*

- **Executive Marketing**: Managed end-to-end digital marketing campaigns for executive/pan-Amazon engagements, ABM, and sports marketing, contributing to $10B+ in marketing pipeline revenue.
- **Flagship Event Marketing:** Spearheaded AWS re:Invent demand generation strategy through Marketo, targeting 5,000+ executives, increasing invite-to-attended conversion by 10%.
- **Reporting & Insights**: Analyzed campaign performance in Salesforce and AI-enabled analytical tools to optimize deliverability, open rates, CTR, unsubscribe rates, and impressions in live campaigns.

Digital Marketing Specialist - Global Executive Marketing - Seattle, WA — *April 2022 – June 2023*

- **Content Strategy & Copywriting**: Orchestrated cross-functional teams to launch 3-5 high-impact content pieces per quarter with organic social and paid media promotion, increasing engagement by 40%.

Associate Account Executive - AWS Demand Generation Sales - Seattle, WA — *June 2021 – April 2022*

- **Integrated Sales & Monetization:** Generated $615K in ARR in Q4 2021, exceeding lead generation targets by 140% and securing 10+ co-sell opportunities through strategic negotiation and partnership.
